

STUDY ABROAD AT VICTORIA

Architecture + Design

The Faculty of Architecture and Design is a unique and leading centre of design, architecture and building science. The Faculty offers a dynamic mix of courses. Numerous design projects are undertaken in conjunction with leading world companies and many students have won international recognition in competitions.

The Faculty is located in the heart of the city, where staff and students are constantly part of new and exciting projects undertaken in the city. The Faculty also benefits from leading design and architecture experts who operate in the city as well as on campus.
